

Math 8 Individual Test Grading Rubric

EMAD	Exceeds Standards 4 points	Meets Standards 3 points	Approaches Standards 2 points	Does Not Meet Standards 1 point
Accuracy	<ul style="list-style-type: none"> All problems demonstrate mastery of the topic All problems are accurately answered 	<ul style="list-style-type: none"> All problems demonstrate understanding of the topic. All problems are accurately answered Work is shown in the appropriate area and most computations are correct 	<ul style="list-style-type: none"> Some problems demonstrate mastery of the topic Some problems are accurately answered Work and computations are not shown or are incorrect 	<ul style="list-style-type: none"> Most problems do not demonstrate mastery of the topic For the most part problems are answered incorrectly Incorrect computations throughout the assignment
Explanation, and written justification	<ul style="list-style-type: none"> All of the answer responses are correct, show work, have clearly written arguments, and have accurate evidence and data to support the claims Responses go above and beyond the expectations with application of real-life ideas and connections 	<ul style="list-style-type: none"> Answer responses clearly written with evidence and data to support ideas Responses have a thorough explanation that is clear Sentences are complete and restate the question 	<ul style="list-style-type: none"> Answer responses are not clearly written <i>or</i> evidence and supporting data does not correctly support the idea. Thorough explanations are not included to support ideas Responses are short sentence fragments <i>and/or</i> written without restating the question 	<ul style="list-style-type: none"> Some questions left blank or unanswered Answer responses vaguely written. Missing evidence and data. Evidence does not support idea Sentence fragments throughout the assignment.
